Residency Qualifications

Welcome to our community! For the purpose of this document, the term "Applicant" is defined as the person or persons who will be signing the Lease as the "Resident;" the term "Occupant" is defined as the person or persons who are authorized occupants under the Lease. An applicant must be 18 years of age or older to qualify as a resident.

EQUAL HOUSING: We are an Equal Housing Opportunity Provider. We do business in accordance with the Federal Fair Housing Act and do not discriminate against any person because of race, color, religion, sex, handicap, familial status or national origin. Additionally, we provide housing in accordance with all other state and local laws if those laws provide greater protection than the Federal Fair Housing Act.

APARTMENT AVAILABILITY: Applications for apartment homes will be accepted on a first come-first serve basis, with security deposit, and are subject to the availability of the particular apartment type requested. If the applicant's credit is not approved or if the applicant fails to sign a Lease by the specified date, then the apartment would again become available.

FEES/ DEPOSITS: Each occupant over the age of 18 is required to pay a non-refundable application fee for verification of information, background screening, and credit approval: \$50 per applicant. If for any reason management decides to decline the application the fee will not be refunded. After your application is approved, the security deposit is refundable within 72 hours. Each apt has a 2-pet maximum and each pet will be charged a fee of \$350 per pet, along with a \$10 pet rent per pet monthly.

EMPLOYMENT/ INCOME REQUIREMENT: The gross monthly, verifiable combined income must equal three times the monthly rent, per household. If a Lease Contract Guarantor is required or authorized, the Guarantor gross monthly income must equal four times the monthly rent in order to qualify as a Guarantor. All monthly income will be verified. Income verification is required prior to final approval of the application for residency. One or more of the following documents must be submitted by the Applicant or Guarantor within 48 hours of the date of application: Last two paycheck stubs or current bank statement showing recurring payroll deposits. If self-employed, a tax return and/or other documentation must be available to show three times the monthly rent. Lease term may *not* be paid in full in lieu of income verification. Assets may be used in lieu of income with documentation/proof of a minimum balance equal to two years of the rent in an accessible account.

CREDIT: A complete investigation of credit history of each applicant will be made and will require a satisfactory rating.

RESIDENTIAL HISTORY: Present and previous residence may be verified for all applicant and proposed occupants. We must obtain verification of a satisfactory rental history for the past two years, which includes timely rent payments, proper notice to vacate, and history of lease violations. All applicants who have been previously evicted or have an unpaid balance with a previous landlord/owner will be declined. The head of the household must be 18 years or older, physically occupy the apartment, and meet all criteria.

CRIMINAL BACKGROUND CHECKS: We perform criminal background checks in accordance with applicable federal and state laws. Your signature on the Application for Residency authorizes us to check not only your credit history, but also any arrests or convictions. You will be required to answer questions on the application stating whether you have been convicted or arrested of a crime; and, if so, what the crime was, when and where it occurred, and the disposition of that charge. An unsatisfactory criminal background check revealing a serious charge including, but not limited to, conviction of a felony or deferred adjudication of a felony will result in denial of your application. However, not all crimes disqualify you from living at the community. Crimes that result in denial of residency are those which pose a serious threat to the health, safety, and welfare of persons living and working in your community, taking into account not only the type of crime but also the circumstance under which it occurred. In the event the criminal background check reveals any pending criminal
